Candidates should have a thorough knowledge of all previous grades.

Theory

1. The five positions of the Feet (say with music & show as separate positions)
2. The five Positions of the Arms with Bras Bas & Demi-seconde (say with music & show as separate positions)
3. Q. Why is the 1st position of the arms sometimes known as “the gateway”?
A. Because all other arm positions may be approached by going through this position.
4. Q. How much distance should be between the two hands when the arms are in bras bas, 1st position (en première) or 5th position (en cinquième)?
A. About the width of the face.
5. The fixed points of the stage (turn to face the position, point to it & say point 1, point 2 etc.). See chart on next page. From Grade 1 onwards it is expected that candidates will react to instructions face a particular point of the stage.
6. Q. Explain the meaning of the following terms:
Devant A. In front
Derrière A. Behind

(Note regarding the 1/8 turn of the head - it should be just short of 1/8 of a turn to maintain contact with the audience.)

À La Barre – At the Barre

1. Demi-plié, relevés et grand plié (facing barre)
2. Demi-plié en troisième et en quatrième (avec première port de bras)
3. Battement tendu en croix
4. Assemblé relevé in 4 counts dessus (over) et dessous (under) (facing barre)
5. Preparation for Coupé: dessus et dessous (facing barre)
6. Grand Battement en arrière in 4 counts (facing barre)
7. Changement de pied (facing barre)
8. Échappé sauté à la seconde (from 3rd to 2nd position, facing barre)
